The Diwali celebration at GTBIT was brilliantly illuminated through our lenses. With a keen eye for detail and a passion for storytelling through images, our society members embarked on a visual odyssey to encapsulate the spirit of this festive occasion. G-Sharp and Ashke also graced the events with one of their best performances and of course we didn't forget about all those candid shots documented spontaneously.

Auditions

DATE: 12 December 2022

EPICTURE conducts its auditions to scout for talented individuals with a passion for photography. The auditions focuses on evaluating participants' photography skills and understanding their unique personalities. And the response from the students is always truly overwhelming .During auditions every participant gets a chance to showcase their photography skills and present a portfolio of their work. The diversity we receive every year in the photographic styles, themes, and techniques during the auditions highlights the rich talent pool within the college. In addition to evaluating technical skills, the auditions also aims at understanding the personalities behind the lenses. We are confident that EPICTURE will continue to thrive and will always have a positive impact on college community.

Photowalk-1

Venue: Hauz Khas Deer Park

Date: 20 December 2022

EPICTURE organized a captivating photowalk at the serene Hauz Khas Deer Park as part of our audition process for 2022-2023 batch. The event not only served as a platform for aspiring photographers to showcase their skills but also provided a unique opportunity to capture the beauty of nature. Participants were presented with various photography challenges, encouraging them to think creatively and capture the essence of Deer Park in unique ways and what we can truly say is that everyone really had a great time where we really got to explore and discover the surroundings along with learning a lot from each other.

Photowalk-2

Venue: Connaught Place

Date: 8 April 2023

EPICTURE hosted an enriching photowalk on April 8th 2023 at Connaught Place . While the world was still, draped in quietude, and nature awoke with a gentle symphony ,we all were jet ready with our cameras to captures that early morning incomparable beauty of Connaught Place known for it's architecture and diversity. The photowalk focused on capturing and discovering the magic which we might see everyday but were just not able to notice and the early hours helped us all with it. Also a photowalk is always the best the opportunity to learn more and explore which is what we did altogether as a team.

ANDAAZ

2023

DATE: 12 April 2023

Dive into the glamour and exuberance of GTBIT Bollywood Day through the lens of the EPICTURE. We embarked on a captivating journey, skilfully capturing the vibrancy, creativity, and star-studded moments that defined this cinematic celebration. The photo album started with the moments from the round 1 of ramp walk which need less to say was what we call a bomb. Of course the event was filled by the melodious voices of G Sharp which we didn't missed to capture out and the grand announcement of Mr&Miss Fresher's and we did framed out those happy and precious smile too in our lenses as well. Through the lens of EPICTURE, we invite you to relive the magic of Bollywood Day

IPR DAY

Date: 26 April 2023

IPR day was organised by GTBIRC in the GTBIT premises on 26th April 2023 and Advocate Gurpreet Gulati also graced the event in order to spread information about the intellectual property rights which provide incentives for creators and inventors while fostering a culture of innovation. The event successfully provided a platform for understanding the legal nuances and significance of intellectual property across diverse field. The session was skilfully immortalised through the lens, weaving a visual narrative of cherished moments.

The Et-Cetera society at our college is a powerhouse of talent, constantly dazzling audiences with their exceptional performances. Through workshops and rehearsals, they hone their skills and create compelling theater. Recently, they organized 'KRANTI,' a remarkable program showcasing their acting prowess, leaving the audience spellbound. Their future plans include expanding their repertoire and participating in more competitions; their numerous awards stand testament to their dedication and artistry. We stand fully equipped to capture that drama and emotions throughout carefully preserving them within frames that will immortalize their beauty for generations to come.

RUKHSAT'23

DATE: 30 July 2023

'RUKHSAT,' the college's farewell party, was an emotional yet joyous event where graduates were bid a warm and heartfelt goodbye. The atmosphere was filled with nostalgia and laughter as students reminisced about their memorable moments. Friends, faculty, and staff came together to celebrate the achievements of the graduates, sending them off with best wishes and fond memories, marking the end of a significant chapter in their lives and we skillfully and artfully captured those moments, preserving them with meticulous attention to detail and a keen eye for the essence of each fleeting second.

Teacher's Day Celebration

Date: 5 September 2023

We take you on a visual journey to our Teacher's Day Celebration. The photo essay begins with showing the esteemed teacher's as they entered the venue to the applause and admiration from the students. Each frame captures the pride and respect that enveloped the air, symbolizing the deep appreciation for the invaluable contributions of our educators. The culmination of the event is beautifully documented as teachers are honored with tokens of appreciation, capturing the collective gratitude of the student body. These images serve as a testament to the enduring impact that educators have on shaping the future of students.

Sanchaar 2023

Date: 15 September 2023

‘SANCHAAR’ the college's tech fest, a vibrant celebration of innovation, provided students with a unique platform to delve into the realms of technology and engineering. Through workshops, seminars, and hands-on demonstrations, attendees gained invaluable insights into cutting-edge advancements, fostering a spirit of curiosity and learning among participants. We were impeccably poised to seize those cherished moments, skillfully encapsulating them within frames destined to be timeless treasures, evoking memories that will last a lifetime and beyond.

11

12

13

'JASHN - E - FRESHERS,' the college's spectacular fresher's party, radiated warmth and excitement as newly admitted undergraduates were welcomed into the college family. The event was a colorful extravaganza featuring music, dance, and laughter, creating lasting memories for the newcomers. Seniors and faculty extended a heartfelt welcome, ensuring the fresher's felt a sense of belonging from the very beginning, setting the tone for a memorable college journey ahead and we left no crumbs and expertly captured those moments that shall be stored for a lifetime.

CODING CONCLAVE

Date: 12 October 2023

10

11

12

13

The coding conclave took place in the auditorium of our college, where developer (Cofounder of coding blocks) and coding enthusiasts gathered to exchange knowledge. We aimed to showcase the diverse aspects of coding, including the participants' dedication and problem-solving skills.

Through our photography, we were able to encapsulate the essence of the coding event, showcasing the passion, dedication, and creativity that define the world of programming. The photographs captured the dynamic atmosphere, educational aspects, intense competitions, and invaluable networking opportunities that were integral to this event. By documenting these moments, we hope to inspire others to explore the world of coding and highlight the significance of such events in fostering growth within the coding community.
