MESSAGE FOR JUNIORS

The GTBIT Sports Society is finally a reality, and honestly, those of you in 1st and 2nd year are lucky to have everything in place from the beginning. We didn't have this kind of setup when we started, so don't take it for granted—make the most of every chance you get.

Sports have given me some of the best memories from college—whether it was winning, losing, or just those fun, exhausting practice sessions with friends. I genuinely loved playing, and those moments are going to stay with me forever.

A huge shoutout to Manisha Ma'am—one of the most supportive faculty members I've ever met. She always went the extra mile for us, and it's thanks to her dedication that the Sports Society is where it is today.

To the juniors: keep the passion alive, train hard, and keep showing up. Win medals, make memories, and represent GTBIT with pride.

Wishing you all an exciting and successful athletic journey ahead!

Manu

Mehtab Alam

I secured the award of Best Unrated Player at KR Mangalam Institute, Delhi, and received recognition from the GTBIRC Society for my work on an RFID project module. I achieved second rank in the All India IEEE Knights Duel and had the opportunity to represent my college globally in a chess team event, where our team secured 3rd place in that division. We also secured 3rd position at SRCC College (DU) by defeating the main campus team. At the GTBIT Sports Meet 2024, I won first prize, and later, at a chess event conducted by MAIT BitzSociety, I secured the top spot along with a cash prize. In 2025, I served as the Organizing Head for the Chess Event at the GTBIT Sports Meet. Additionally, I secured a top 10 rank in the All DU Inter-College Chess Event.
